CRIME CONTROL AND PREVENTION DISTRICT CITY OF JERSEY VILLAGE, TEXAS - AGENDA REQUEST

AGENDA DATE: July 21, 2020 AGENDA ITEM: D

AGENDA SUBJECT: Consider Resolution No. 2020-01, amending the 2019-2020 Crime Control and Prevention District's Budget in the amount of \$133,850.00 and authorizing the funding associated with the purchase and installation of the WatchGuard In-Car and Body Worn Camera System from the Crime Control Prevention District Fund.

BUDGETARY IMPACT: Required Expenditure: \$133,850.00

Amount Budgeted: \$

Appropriation Required: \$ 133,850.00

BACKGROUND INFORMATION:

For the past nine years, the Jersey Village Police Department has been utilizing the M7 Coban computer/video system for our patrol vehicles. The main reason for going to the Coban system at that time was, the company was the only one offering an all-in-one computer/video system. They no longer offer this type of system and in 2016 forced us into purchasing new in car computers. Over the last few years, we have seen a drop in the quality of the Coban products and the company's customer service/support is severely lacking. The Jersey Village Police Department believes it is time to change vendors due to the fact Coban technology has become inferior to the other in-car video systems on the market today and they no longer offer a product that meets the department's needs.

Police Department Staff have researched competitive equipment available and have consulted with a number of agencies across the State to determine what would be the best setup for our officers. We have been testing both the in-car and body worn camera system, and recommend selecting Watch Guard system to replace Coban. Watch Guard is located in Allen Texas and all their products are manufactured in the USA. We would use the BuyBoard purchasing cooperative program contract #604-20 to make this purchase. As a member and participant in the BuyBoard purchasing cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new equipment. The Watch Guard system requires additional network storage and equipment installation in 12 police vehicles, and 28 Body Worn cameras.

We recommend funding the replacement audio/video system through the Crime Control and Prevention District. Using the CCPD funds allows the equipment to be purchased and installed at one time. This will be a turnkey purchase to include all training and coordination of installation to be accomplished at the same time for all the officers and vehicles.

RECOMMENDED ACTION:

MOTION: Approve Resolution No. 2020-01, amending the 2019-2020 Crime Control and Prevention District's Budget in the amount of \$133,850.00 and authorizing the funding associated with the purchase and installation of the WatchGuard In-Car and Body Worn Camera System from the Crime Control Prevention District Fund.

RESOLUTION NO. 2020-01

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE JERSEY VILLAGE CRIME CONTROL AND PREVENTION DISTRICT, AMENDING THE BUDGET OF SUCH DISTRICT FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2019, AND ENDING SEPTEMBER 30, 2020 IN THE AMOUNT OF \$133,850.00; AND AUTHORIZING THE FUNDING ASSOCIATED WITH THE PURCHASE AND INSTALLATION OF THE WATCHGUARD IN-CAR AND BODY WORN CAMERA SYSTEM.

WHEREAS, the Jersey Village Police Department has recognized a need for an improved in-car video system with the addition of body worn cameras; and

WHEREAS, the installation of the WatchGuard System will provide the equipment and service necessary to most efficiently meet this agency's needs; and

WHEREAS, Crime Control District will authorize a total of \$133,850.00 for the purchase and installation of the WatchGuard System; and

WHEREAS, subsequent to the adoption of the annual budget for the Jersey Village Crime Control and Prevention District for the fiscal year beginning October 1, 2019, and ending September 30, 2020, the District had not anticipated this expenditure change; and

WHEREAS, the City Manager recommends that such budget be amended to reflect such purchase and expenditure in accordance with Budgetary Transfer Amendment Request Forms attached hereto and made a part hereof as "Exhibit A; and

WHEREAS, the District Board of Directors finds and determines that the budget should be amended as recommended by the City Manager in order to purchase the WatchGuard system; NOW THEREFORE.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JERSEY VILLAGE CRIME CONTROL AND PREVENTION DISTRICT THAT:

The annual budget of the Jersey Village Crime Control and Prevention District for the fiscal year beginning October 1, 2019, and ending September 30, 2020, is hereby amended in the amount of \$133,850.00 by increasing the appropriations to the accounts contained therein as provided in "Exhibit A", attached hereto and made a part hereof subject to approval of the City Council of the City of Jersey Village.

PASSED AND APPROVED this 21st day of July, 2020.
