## REQUEST FOR WATER BILL REVISION

I, the undersigned, being the contracting party, or an agent, employee or representative of the contracting party, for water service from the City of Jersey Village, Texas, request a reduction in the amount of a water bill for water furnished to the premises described below. It was discovered that water was being lost through a latent defect in a water line at said premises during the period commencing \_\_\_\_\_ (date) and ending \_\_\_\_\_ (date), and as a result of said latent defect, water provided through the City water meter serving the described premises was lost and not used in any manner by anyone. As soon as said latent defect was discovered it was repaired (see attached documentation). No additional water appliances have been placed in use during the period covered by the bill.

I am personally familiar with all matters of fact stated herein, and I know of my own personal knowledge that they are true and correct.
