City Accepts Parking Permit Applications Beginning August 1, 2018

The Cy-Fair ISD 2018-19 school year begins August 27, 2018. The City will begin accepting applications on August 1, 2018 for parking permits that allow certain residents to park on certain city streets within the school zones during the 2018-19 school year.

In 1999 City Council passed an ordinance providing exceptions in the no parking/tow-away zones on your street. The ordinance established a permit system, which, upon application, issues two parking permits. A person may park a motor vehicle, which displays the issued permit, on the street in front of the address

on the permit. The parking permit is issued annually upon application at no charge; however, replacement permits are \$25.00 each.

If you are interested in applying for a parking permit, please complete the Application for Parking Permit found on our website at <http://www.ci.jersey-village.tx.us/page/city.forms> and submit it to the City of Jersey Village, Attn: Parking Permits, by mail or in person at 16327 Lakeview Drive, Jersey Village, Texas 77040 beginning August 1, 2018. ★

Code Corner

This ordinance requires landowners to maintain their landscaped areas in an appropriate and healthy manner, free from disease, pests, weeds, and litter. Maintenance of landscaped areas include, but not limited to, weeding, watering, fertilization, pruning, mowing, edging, mulching. This is to maintain a clean and pleasing image within the community. Sec. 14-310. - General standards.

(6) Landowner responsibilities. The landowner shall be responsible for:

(a) The regular maintenance of all required landscaped areas and plant materials in a vigorous and healthy condition, free from disease, pests, weeds and litter. This maintenance shall include weeding, watering, fertilization, pruning, mowing, edging, mulching or other needed maintenance, in accordance with generally accepted horticultural practice.

Each month we share information related to general types of code violations, common code violations, and code to everyone should be aware of. To report a code violation please call 713-466-2129 or email ggibson@ci.jersey-village.tx.us ★

Garbage Collection Guidelines

WCA collects household waste every Tuesday and Friday for Jersey Village. Please ensure that you are following these guidelines:

- Please place trash out at the curb by 7:00 a.m. on the day of collection. All trash may be out no sooner than 5:00 p.m. the day prior to collection.
- Please do not place trash in the street or block public walkways.
- Curbside garbage must be in trash bins, or bags not exceeding 40 gallons, or weighing over 40 pounds.
- Tree limbs, shrubs and brush trimmings must be bundled and tied in lengths no greater than 4 feet, with no branch exceeding 3 inches in diameter. The bundling is required to allow for quick collection, and size limitations are required to avoid damaging compacting mechanism on the truck.
- Hazardous materials, such as batteries, motor oil, cooking oil, pesticides and chemicals will not be collected.

• Items such as dirt, rocks, concrete, tires, and waste generated by construction projects will not be collected. ★

****Please remember that recycling carts provided by WCA are only to be used for recyclable materials for collection on Wednesdays. Regular household garbage placed in recycling carts will not be collected.****

City Offices Closed for Labor Day September 3, 2018

City offices will be closed on Monday, September 3, 2018 and in observance of the Labor Day. Police Department, Fire Department and Emergency Medical Service personnel will be on duty for emergencies and other City personnel in other departments will be on-call, if required. City offices will re-open for business at the regular time on Tuesday, September 4th. ★

Tip of the Month by Matt Jones

USE YOUR HEAD – not always the club
head! Jersey Meadow is in great shape
and we have taken great pride in the new
definition of our fairways to rough and rough
to "Jersey Rough." It can be very difficult in
our rough at times. Don't just grip it and rip
it. The rough will "grab" your club and close
the clubface. Use your head - aim for the spot
that will make your next shot the easiest. ★

Preventing Scams and Fraud

Many times we may fall victim to
scams because we just want to be
the nice person, or are just friendly
at heart. According to the Better
Business Bureau, the following steps
are some indicators or red flags that
you can be aware of to prevent being
a victim of a scam or fraud. They are as
follows:

- Never give out personal banking
information, credit/debit card
numbers, or especially Social Security
numbers to anyone who has called.
Popular scams usually are people
calling to provide a new health
product, a charitable donation, or to
tell you that you are a sweepstakes
winner.

- If someone calls from a
"government agency," it is most likely
that it may be a scam. Request from
them something in writing from a
certified letter to verify it is an official
request.

- If a salesperson does not provide
you with their company name,
address, or telephone number do not
do business with that person.

- Never pay anyone up front before
the job you hired them to do is done.
Many times, criminals will ask for
the money up front to go purchase
material or tools and never return
back to do the work.

- Place yourself on the National
Do Not Call Registry by calling
1-888-382-1222 or by visiting
www.donotcall.gov to also limit
telemarketers from calling.

**These are some tips to help you
from becoming a victim of a
fraud or scam. If you feel that
you may be a victim of a scam or
fraud, or want to simply report a
possible scam, contact the Jersey
Village Police Department at
(713)466-5824. ★**

The City of Jersey Village is currently spraying for mosquitoes. You can help keep mosquito populations under control by following a few simple tips:

- Mow your lawn regularly and keep weeds away from your home's foundation
- Irrigate lawns and gardens carefully to prevent water from standing for several days
- Eliminate containers and rubbish from your yard that may hold water, i.e. tires, buckets, toys
- Protect your skin from bites by wearing long sleeves and pants
